If you would like to come to a laid-back fly-in, the Kentucky Fall Classic may be your event! We offer hospitality, fun, and one of the best home cooked dinners you will ever get at a fly-in OR restaurant. We have plenty of hotels, restaurants, and other entertainment all within a few minutes of our field.

We hope to have some fun things planned for the open flying days!  
A Saturday night dinner for pilots and their guests will be available. Tickets will be \$15.00 per plate.

The field features a 650-foot paved runway and a parallel grass runway.  
The flying area is open and unrestricted.

This is a Giant Scale Event, but we will allow open flying on Thursday and Sunday after the formal event concludes.

Giant scale specs apply on non-open flying days with some exceptions:

- Monoplane= 80 inch or larger wingspan
- Bi plane= 60 inch or larger wingspan
- Warbirds = 70 inch or larger wingspan
- Any size turbine jets
- The landing fee is by donation
